

# GUS ALBERTSEN

5040 Del Monaco Drive Santa Barbara CA 93111 • gusalbertsen.com • gusbert10@gmail.com 805-705-0039 • I communicate best with text and email, if you want to call me directly I have a communication device that speaks for me if one doesn't understand me due to my speech differences.

## PROFILE

My enjoyment of natural beauty is coupled with an ethical concern for the impacts of anthropogenic influences. In addition to my love of preserving nature, I also love to work with the disabled community (differently abled community) since I have firsthand knowledge and experience in that community. I want to combine these two passions in my work and volunteer activities.

## ACTIVITIES AND INTERESTS

Being in nature  
Advocating for the differently abled  
Working on solving Environmental protection and justice Issues
